## work experience

### May 2011 - May 2013

Creative Designer, Coffee Dream

- Mainly responsible for the interior lay-out of soon-to-open branches. Scope of work: lay-out of counter area, kitchen area, comfort room (if applicable), arrangement of furniture, lighting scheme, colour theme.
- Worked closely with the mall or building admin/design team as well as the company contractor during construction phase.
- Coordinated with the Operations Manager regarding the purchase of the machines, furniture, and lighting fixtures needed.
- Supervised improvements until the opening day.
- In charge of maintaining the interior details to make sure that the branch is presentable (i.e. replace paintings, change the colour of the wall or re-arrange furnitures if needed)
- Responsible in switching furniture to and from the branch, after mall hours or before the branch opens.
- In charge of seasonal store decors: Sinulog, Valentine's Day, and Christmas season.
- Designed posters for new products, upcoming company events, store promos, etc.
- Made a set of collaterals for the brand: letterhead, calling cards, etc..
- Provided printed collaterals for the branch: handheld menu, display menu, product posters, cake labels.
- Shot promotional photos of new drinks and pastries.
- Set-up the Gmail, Facebook, Twitter, Wordpress, Youtube, and Instagram accounts of the brand.
- Maintained the online accounts through regular posting of status, photos, announcements, videos and blogs.

### November 2013 - December 2013

Design Associate, Ripe Concepts

- Became a group member of the Minted team.
- Responsible of creating various types of postcards and folded cards for Minted ([www.minted.com](http://www.minted.com))
- Cards would include but not limited to: holiday cards for Christmas and New Year, save-the-date cards, baby shower invitations, etc.
